WUSM OT Referrals in Epic

If your patient chooses to be referred to Occupational Therapy at Washington University when placing a referral to WUSM Occupational Therapy the ordering class should be **Internal Referral**

1. In the **TO LOC/POS field** type **WUSM OT 4444**
2. In the **TO DEPT field** input **WU OT 4444FP**.

**Additional Information**

WUSM OT 4444FP 2206 will handle all other scheduling for Occupational Therapy locations at Washington University and will work directly with the patient to schedule them at any of their Washington University locations.

**Note:** If the department is not completed the referral will not go to the departments work queue and this will impact patient care.
